

# The 15 Invaluable Laws of Growth

## DESCRIPTION

Growth doesn't happen automatically, it should be intentional and aligned with your passion and purpose. Design your growth to match your goals and consistently have tension between where you are and where you want to be.

This course is focusing on your personal growth and helps you to become a more effective and fulfilled individual and will include:

“The Law of Awareness” – You must know yourself to grow.

“The Law of Design” – To maximize growth, develop strategies.

“The Law of Curiosity” – Growth is stimulated by asking why?

“The Law of Expansions” – Growth always increases your capacity.

## OUTLINE

Each of the four sessions will last 60 to 90 minutes on a weekly basis and will cover the following:

1. Weekly basis **reviewing the learned topic** and its implementation to your life. Sharing the highlight to the group prior to the start of each weekly session.
2. Answer **application questions** as a group
3. Keep a growth journal and **take notes the actions** that reach your growth goals (recommended to highlighted on weekly basis).

**All the 15 laws** will be covered during this 15-week Group Study

## BENEFITS

At the conclusion of the course you will:

- identify the **steps towards success** (awareness, actions and accountability)
- develop **strategies** to bridge the growth gaps
- building a daily personal **growth plan**
- design **strategic approach** that maximises your time and increases your efficiency
- increase **success in every aspect** of your career, business and personal life
