

# The Fundamentals of Selling

## DESCRIPTION

Organisations will experience a shift in the ability to influence and empower those they lead to identify and solve problems for their clients, increase sales and leadership skills, and achieve greater results, using the Maxwell Method of Selling.

We will provide a full day workshop that will teach participants powerful skills to dramatically improve their sales influence leading to greater results for customers, clients and companies. At the end of this training, participants will understand the importance of attitude on the sales mindset. They will have learned the types of sales processes, be better prepared and equipped to close a sale, be able to identify the correct prospects, have a better understanding of warm and cold sales calls, and exhibit the skills of active listening.

## OUTLINE
